

## Certificate of Absence in accordance with the guideline 2011/65/EU (RoHS-II) and guideline 2015/863/EU (RoHS-III)

This is to confirm that all plastics and metals processed by **Ratioplast-Electronics**, do not contain banned substances, according to the guideline 2011/65/EU (RoHS-II) with validity as per 08.06.2011 and the guideline 2015/863/EU (RoHS-III) from 31.03.2015.

This includes also that flame-retardant PBB and PBDE (including DecaBDE) is not used as an effort or additive.

This absence declaration is based on information and declarations of the manufacturers of the used raw materials.
